# WHY BECOME A MEMBER?

Becoming a member of TCP gives you a special affiliation with a group of people who are united in their desire to participate in and promote community theater at the Twin City Players.

Membership signifies your desire for an ongoing relationship with the organization, and your aspiration to learn more and be more in our theater.

Only members can be on the Board of Directors and membership is required to vote for Board members and participation in maintaining and improving a quality theater experience for both volunteers and patrons.

Membership is not prorated.

Membership is not linked to Flex Passes or the annual Tiffany Awards. Anyone who takes part in a Season production is eligible for awards. We do encourage membership for the benefits it provides.

The membership year runs September 1 through August 31.
