WELCOME TO THE

TWIN CITY PLAYERS

Whether it's a corporate event, class trip, fundraiser or special occasion, many Twin City Players Mainstage Productions can be reserved for a private performance.

Private performances are held on dates separate from our regularly scheduled season performances.

When you purchase a private performance, the entire house and performance is yours. You can resell the 120 tickets as a fundraiser, or you can have the entire house to yourself.

Simply call our Box Office at 269-429-0400 and ask for Business Manager Kim Kidd, or complete and mail in this Private Performance Request Form.
